

Dear Mrs. Manierata Virakornphanuch,

My name is Ethan, I am an Canadian architect working in Vancouver, Canada. During a recent visit to Khon Ken University I've decided to move to Khon Kaen. I have teaching experience in Vancouver and Qatar teaching an architectural studio and Revit and other architectural software.

I would love to speak with you regarding opening teaching positions at the Khon Kaen University and if it is possible for Canadian citizens to teach at the University.

For your consideration I've attached my resume and the following is a link to my [portfolio](#).

Kind regards,  
Ethan Hudhud
